Hello fellow South Wales Mountain Sheep breeders, this is just a quick note to keep you up to date with the promotional work we've been doing and how your membership and levy is being used.

2026 has been a quieter year for the Society, with the one big event Sheep 26 held in Malvern. The cost of the stand was £750, and this does not include diesel and time costs of members that help attend these events. It was a very successful event, with plenty of good feed back from past buyers and meeting many potential new buyers. 2027 will be another busy year with the Welsh Sheep and Sheep South West in Devon being held.

By attending these events with a display of sheep for promotion of the breed to potential customers for commercial and pure breeding and the advertising of the autumn sales, over the years we have attracted numerous new buyers to the sales, which has been a benefit to everyone.

We as a Society thank you for your support with membership and levy, as this is the Society's only income to continue this important work. If you would like to help us to promote the breed, please contact the Society.

Kind Regards  
THE SOCIETY

### **NOTICE TO ALL PURCHASERS AND VENDORS**

In the interest of the smooth running of the sale, please kindly observe instructions from the Ram Sale Stewards and Auctioneers.

- 1 All sheep to be penned by **8:30 am** on the morning of the sale.
- 2 Vendors and Purchasers shall be responsible for the movement of their Rams from their holding pen, through the Auction Sale ring and back to their original holding pen. Failure to present stock in catalogue order will result in those animals being sold at the end of the sale.
- 3 All Vendors shall be responsible for their sheep until **one hour** after the close of sale in the ring in which they were sold, or until the sheep have been handed over to the Purchaser to the satisfaction of the Vendor, whichever is the sooner. **If Purchasers have not claimed their sheep by the above times, Vendors must inform either the Auctioneers or the Ram Sale Officials.**
- 4 In the interest of safety, it is essential that the entrance and exit alleyways are kept free of Vendors/Purchasers and the general public during the period of the Auction Sale.
- 5 All Purchasers must register and obtain a buyers number prior to the sale commencing.
- 6 It is the responsibility of the Vendors to retain Scrapie Certificates until after the Sale
